

**Speaker 3:** You can fill out these census forms they send around all the time and send them in but I don't think it does any good. I don't know whether they even rate them or not. Would they put that in their budget for money they spent this year so they get more in the following year.

**Speaker 4:** Who do you blame for that?

**Speaker 5:** I'll put the blame on most voters. To the various governor elections, I don't think it has anything better. We don't like what we got, but I don't think the choices were there. We really didn't and that was a scary thing.

**Speaker 6:** What scares me thinking back when Winnipeg was saying but there's going to be six billion dollar deficit, everybody treated it like you walked a wall from mars. How smart was that guy really? He was a clown but, he knew what finances obviously.

**Speaker 4:** So if state government was to go in, beyond the voters who voted them in, state government, no one else?

**Speaker 5:** I think the federal government plays into it. Some of our problems start from there.
